LETTER OF APPRECIATION
TO
FIRST LIEUTENANT JAY W. SOUTHWICK
Medical Service Corps
United States Army

April 19, 1968

I take great pleasure in awarding this letter of appreciation to First Lieutenant Jay W. Southwick, MSC, United States Army, as Officer in charge of Survey Section, 5th Preventive Medicine Unit, 85th Medical Group, First Lieutenant Southwick rendered outstanding service to the Republic of Korea Navy in development in the field of Preventive Medicine.

During the period August 1967 to present, he has made great improvements in the vector control system of the Republic of Korea Navy. Through his friendly advice, cooperation, and devoted efforts, the best possible accomplishments have been obtained by our men in this training course.

By his professional competence and outstanding service to the Republic of Korea Navy, First Lieutenant Jay W. Southwick, the 8th U.S. Army has proven himself deserving of the highest esteem and admiration of the men of the Republic of Korea Navy.
