

Frederick Charles Bush's

Art work in Pencil and Oil

**GRADUATION
OGDEN HIGH
1933.**

To our dear Granddaughter,
Edith Martha Bush.

Graduation, you know, is a platform
On the ladder that leads to higher things
Whence, resting for a breathing spell
Stronger hope and aspiration springs.

If for greater knowledge you aspire
You must not grow faint, slow down or tire;
Onward and upward you still must climb
To earn the prizes which may come by time.

As you travel thru life, may you still find
All the good things are not left behind
But may happiness be your life-time quest
Tho we feel that School days were among
our best.

We most Heartily
Congratulate you.
